### Frank's Color Celadons Collection

Great over underglazes, carving and texture, Frank's Color Celadons expand the classic definition of a celadon with a rich variety of translucent colors. Best over light clay bodies but worth experimenting with some darker and speckled clays

## Coyote High Fire Underglazes

**Bright. Beautiful. Versatile.**

A beautiful line of high fire underglazes designed to be bright and true from cone 6 to cone 10! Ideal for illustration work, for graphic designs--anywhere crisp lines and stable borders are desired. They also make a quick & easy-to-clean up stain.
