Developed by potter Michael Sherrill, MudTools are high quality, high performance tools that are actually attractive. The expansive line of MudTools offers unique properties that meet the highly individual needs of potters of all experience levels. Discover them for yourself!

An Innovative Approach to Ribs

This line of ribs are fashioned from a material that burnishes and becomes better with use--no cracks or burrs. Flexibility of the ribs is "coded" by the color of the material. Reference the column at left.

Red: Super Flexible

For compressing slabs, burnishing rims, chamois, & handbuilding.

Yellow: Soft Flex

For smoothing, burnishing, porcelain, throwing & handbuilding.

Green: Medium Flex

For smoothing, burnishing, porcelain, throwing & handbuilding.

Blue: Firm Flex

Still flexible but stiffer. Great for high burnish and throwing large work.

| SSL18 | Stainless Steel Scraper - 18 Tooth Edge | \$ 7 |
| SSL24 | Stainless Steel Scraper - 24 Tooth Edge | \$ 7 |
| SSXL | Extra Long Stainless Steel Scraper | \$14 |

Carving Bow

MudCutter

Tools for Cutting & Carving

The Carving Bow is for cutting, texturing and faceting all clay surfaces. Compact design gets you closer to your work.

A larger MudCutter is designed to go around a 4 inch pug or extrusion. Designed for slicing and cutting and faceting for hand building or at the wheel.

| | |
|---|------|
| Carving Bow w/Curly Wire | \$35 |
| Carving Bow Curly Replacement Wire - pack of 3 | \$ 9 |
| Carving Bow Straight Replacement Wire - pack of 3 | \$ 9 |
| MudCutter w/Straight Wire | \$35 |
| MudCutter Curly Replacement Wire - pack of 3 | \$ 9 |
| MudCutter Straight Replacement Wire - pack of 3 | \$ 9 |

MudTools Dragtool

Carve long graceful flutes or add random texture with a simple pull of the Dragtool with less friction. Doubled-ended to create two sizes of flutes. Metal tool comes in Lime or Orange.

MudTools Dragtool - 7" x 1" \$20

MudShredder Tools

Ideal for shaping or reducing leather hard clay. In three styles and sizes, MudShredders make quick work of cleaning up projects large and small. Assorted handle colors.

Small MudShredder - 2.75 x 2" \$ 8

Indispensable for longer strokes and rounded surfaces. The new Conical Shredder is also great for texturing.

Conical MudShredder
11 x 1.25" \$10

With its flat planed shredding blade, the Flat Shredder is ideal for platters and larger scaled, flat projects..

Flat MudShredder
12 x 2.38" \$10

MudTools Bump Altering Tools

It's a perfect extension for your hand when forming closed shapes or working pieces with tight openings. The rigid metal shaft holds a firm sponge to allow application of consistent pressure to inside walls of pottery and sculptures.

The Bump Altering Tool comes with a straight shaft--perfect for cylinders, while the curved shaft tool allow deft shaping of more pronounced curved designs.

| | |
|-------------------------------|------|
| Bump Altering Tool - Straight | \$24 |
| Bump Altering Tool - Curved | \$24 |

MudTools MudSponge

When you first pick up a MudSponge, don't let its appearance fool you. When new, the sponge is flat, rough and stiff. Wet the MudSponge, however, and you'll have a pillowy, silky sponge that you'll reach for again and again!

| | |
|------------------|-----|
| MudSponge - Blue | \$5 |
|------------------|-----|

MudTools Wire Cut Off Tool

Clean-cutting wire is mounted into two ergonomic handles for comfortable clay cutting. Stylish, green plastic handle design is just a bonus! Make no mistake: They work as good as they look.

| | |
|---|-----|
| MudTools Wire - Green Handle - 15" wire | \$7 |
| MudTools Curly Wire - Pink Handle" - 15" wire | \$8 |
| MudTools Heavy Duty Wire - Black Handle - 19." wire | \$8 |

MudTools MudShark

It's a needle tool and fettling knife in one! Needle pivots back to store inside the handle for fewer "surprises" when reaching into your tool box. The sharp needle will trim the mouth of your piece while the honed knife end will make short work of trimming your base. The MudShark comes in assorted colors.

| | |
|------------------------|-----|
| MudShark - 9.5" x .88" | \$8 |
|------------------------|-----|

| SA4 | 4" | \$1.89 |
| SA10 | 3-3/4" | \$2.49 |

Kemper Finishing Rubbers

Molded, pliable rubber tools for shaping and finishing. Great for sieving and scraping the last bit of glaze from containers. Blue rubbers are soft, black ones are rigid.

All Finishes & Sizes

\$3.19 each

Blue Rubber

FRS Soft/Large
FRSS Soft/Small

Black Rubber

FRH Hard/Large
FRHS Hard/Small

Kemper 8" Ribbon Tools

Used by potters and sculptors for medium duty clay cutting, shaping and slicing. Cutting ends are formed from high-strength sharpened stainless steel and are attached to hardwood handles with brass ferrules.

Shown from top to bottom:

8R1, 8R2, 8R3, 8R4, 8R5, 8R6, 8R7

\$3.99 each

Kemper Heavy Duty Sculpting Tools

Designed to withstand the heavy side loads encountered when working on large sculpture and wheel thrown pieces. Sharpened stainless steel flat ribbon is held by heavy duty brass ferrules. Comfortably contoured wooden handles.

Left to right:

FW11, FW12, FW21, FW31, FW32

\$3.49 each

Kemper Special Ribbon Tools

Designed for medium duty pottery and sculptural work, these special 7" long ribbon tools feature sharpened stainless steel beveled ribbon ends attached to hardwood handles, brass ferrules.

KSP1 Teardrop/Flat Ribbons

KSP4 Larger Flat/Circle Ribbons

\$4.29 each

Kemper Loop Tools

Designed to remove controlled amounts and shapes of clay from thrown or sculptural pieces. Sharpened stainless ribbons and rugged hardwood handles create a tool you'll reach for again and again.

Top to bottom (size represents widest portion of each cutting head):

| | | | |

\$3.59 each

Kemper Handlemaking Tools

Draw through a slab of clay to create perfectly shaped clay lengths that can be readily cut and attached as handles. Each tool approximately 4" long. Top to bottom:

| | | |
|-----|--------------------------|-------------|
| HM2 | Handlemaker for Mugs | \$2.39 each |
| HM1 | Handlemaker for Pitchers | |

Carving & Sgraffito Tools

Double loop ends create smooth, flake free furrows of varying widths in a single stroke. 6" long.

WLS Wire Loop Sgraffito Tool \$3.19

Create varied size furrows depending on the angle of the point.

WS Wire Stylus \$4.09

Kemper Clean Up Tools

The 8.5" tool features a thin stainless steel blade on one end and a pointed, curved stainless blade on the other. The 6.5" tool includes the curved blade on one end and, on the other, a flat triangular blade.

| | | |
|----|------|--------|
| BB | 8.5" | \$3.09 |
| B3 | 6.5" | \$2.79 |

Kemper 8" Wood Modeling Tools

This series of wood tools includes a variety of shapes and contours for clay modeling. Use for cutting, slicing, smoothing, contouring and decorating soft clay. Made of imported hardwood with consistent quality, form and finish.

| WT22 | |
| WT26 | |
| WT28 | |

Kemper Throwing Sticks

Patterned after ancient Japanese egote, throwing sticks assist in shaping and compressing deep, narrow necked pieces on the wheel. In two sizes, with a satin smooth finish, these hardwood tools are approximately 12" long.

TS1 \$10.69 each
TS2

Kemper K33L Spongette

Long handled cellulose sponge is ideal for cleaning bottles and other pieces with tight openings. May also be used to add texture to exterior walls. Sponge is not replaceable.

K33L Spongette \$3.39

Sponge on a Stick!

Reach bottom and inside walls of taller pieces with the Sponge Tool. 13" hardwood handle includes a screw to easily attach and change sponges when needed. (Sponge included)

| | | |
|-----|--------------------|--------|
| SPG | Sponge on a Stick | \$3.99 |
| SPR | Replacement Sponge | \$.79 |

Kemper Turning Tools

Accurately shape, trim and contour clay forms on the wheel. Heavy steel heads are brazed to steel shafts, plated, then firmly set into hardwood handles. Approximately 9" long.

- TT1 Teardrop
- TT3 Triangle
- TT4 Right Hand Half Moon
- TT5 Left Hand Half Moon

All Turning Tools \$9.69 each

Dolan Trimming Tool

Featuring a 1.25" cutting edge and signature tapered tang, the Dolan DPT-120 makes quick work of trimming and shaping forms on the wheel or for slab and hand building projects.

| | | |
|---------|---------------------|---------|
| DPT-120 | Dolan Trimming Tool | \$14.00 |
|---------|---------------------|---------|

- F96 Fettling Knife - Soft Blade
F97 Fettling Knife - Hard Blade

\$5.99 each

Fettling Knives

Remove mold marks from cast greenware, use for trimming, carving, and sculpting tasks. The soft steel blade may be bent as desired, while the hard-tempered blade has the spring-like feel of conventional knife blades. Blades are 4-1/2" long; with handles, 8" long.

Clay Cutters

Cleanly slice through lumps of clay or use to separate thrown pieces from wheelhead or bat. Quality hardwood toggle handles, and high quality steel wire or braided nylon cording create an indispensable pottery tool.

- K35 Wire Clay Cutter \$2.79
K36 Nylon Clay Cutter \$2.79
K37T Twisted Clay Cutter \$3.59

Cut Out Tool

Triangular blade cuts through thick-walled greenware, create cut out design in wet clay or slabs. Blade is securely seated in hardwood handle. 4.5" long end to end.

- COR Cut Out Tool \$3.09

Scratch & Lift Tool

For sgraffito and clay lifting. Steel scratch knife rests in smooth plastic handle. 7.5" long.

- SKT Scratch Tool \$4.79
SKT12 12 Replacement Tips \$3.99

Potter's Cut Off Needles

Use to remove uneven tops of thrown pottery--and so much more!

Pictured top to bottom:

- PRO Pro Tool - heaviest duty needle \$2.29
PCN Potter's Cut Off Needle \$.95
PNH Heavy Duty Potter's Needle \$1.59

Cutting & Carving Tools

Create straight, decorative cuts out in greenware.

SBR Sabre Saw \$2.99

Tough steel rod is coated with Tungsten Carbide particles for a tool tough enough to cut through glaze, bisque, tile, etc. 6" long.

GBC Glaze & Bisque Cutter \$4.09

Top: Sabre Saw
Bottom: Glaze & Bisque Cutter

Pottery Tool Kit for the Wheel

An essential selection of go-to pottery tools for the beginner and professional alike. The Pottery Tool Kit for the Wheel includes (front to back):

- Wire Clay Cutter
- Scraper
- Potter's Rib
- Pro Tool
- Ribbon Tool
- Wood Modeling Tool
- Loop Tool
- Synthetic Sponge

PTK Pottery Tool Kit \$17.99

Pottery Tool Kit for Hand Building

A selection of tools, handpicked by Lindsay Philabaun, essential for successful hand building. The Pottery Tool Kit for Hand Building includes (left to right):

- Wire Clay Cutter
- Feather Texture Brush
- Wood Modeling Tool
- Fettling Knife
- Ribbon Tool
- Synthetic Sponge
- Stainless Steel Scaper
- Synthetic Sponge

HBTK Pottery Tool Kit for Hand Building \$17.99

Hole Cutters

An easy method for creating clean holes in wet, thick-walled greenware and wheel thrown pieces. Choose from a variety of sizes, in square and round hole cutters, to create a variety of designs. Each cutter features sharp, polished brass cutting tubes with the smaller round size firmly set in a hardwood handle.

Round Hole Cutters (top to bottom):

| | | |
|------|------------------------|--------|
| HC1A | 1/4" Round Hole Cutter | \$3.19 |
| HC1 | 3/8" Round Hole Cutter | \$3.09 |
| HC3 | 1/2" Round Hole Cutter | \$3.89 |
| HC4 | 7/8" Round Hole Cutter | \$7.99 |

Square cutters include a convenient plunger design for quick and easy removal of cut clay.

Square Hole Cutters (left to right):

| | | |
|------|--------------------------|--------|
| HCS4 | 1/4" Square Hole Cutter | \$6.19 |
| HCS2 | 1/8" Square Hole Cutter | \$5.19 |
| HCS1 | 3/32" Square Hole Cutter | \$4.39 |

Klay Cutters

Used like cookie cutters, Kemper Klay Cutters come in sets of 5 coordinating shapes in small, medium and larger sizes (up to approximately 3/4"). Brass cutters feature a plunger/pushy-outy thing to remove cut clay from the cutter. Use to create holes in luminaria, colander and more or use to cut fun shapes for use as an applique.

Santa's Workshop Luminaria used the Teardrop (eyes), Square (buckle) and Circle (mouth & hat). The Heart shapes were used as an applique to create a charming 5-petal flower on the vase.

Lid Master Calipers

Measure the lid and, with that one simple measurement, you'll instantly know the right size opening for your pot to ensure better fitting lids--time after time.

Have a completed pot with a broken lid? Reassemble your Lid Master to the 12.5% hole to accurately calculate lid shrinkage.

Lid Master Calipers - Maximum size 11" \$14.95

Double Ended Wooden Calipers

Easily take inside and the outside measurements at the same time to create well-fitted lids. In quality hardwood with easily adjustable rust-free hardware.

CAD8 Double End Caliper - 8" \$ 9.95

CAD10 Double End Caliper - 10" \$10.95

CAD12 Double End Caliper - 12" \$11.49

Single Calipers

Transfer measurements from the model to the clay or use to measure thickness and diameter. Made from tough alloy, aluminum calipers are lightweight, easy to handle. Measure both inside and outside dimensions. Rust free hardware is easily adjusted by hand.

AL8 Aluminum Caliper - 8" \$6.89

AL10 Aluminum Caliper - 10" \$8.09

AL12 Aluminum Caliper - 12" \$9.29

CA10 Hardwood Caliper - 10" \$10.19

Texture Brushes

Fine, medium and coarse stainless steel bristles for short stroke textures and hard-to-reach areas.

| | | |
|------|-----------------------------------|--------|
| FTB | Feather Texture Brush | \$2.79 |
| WBEF | Extra Fine Texture Brush | \$3.69 |
| WG2 | Fine Texture Brush for Wet Clay | \$3.49 |
| DG1 | Coarse Texture Brush for Dry Clay | \$3.69 |

Assorted Duty Brushes

| | | |
|-----|---|--------|
| HB | Hake Brush | \$6.69 |
| | 1-1/8" soft bristled brush is ideal for glaze application | |
| DB | Dusting Brush | \$3.99 |
| | Whisk greenware and bisque clean before glazing. | |
| CUB | Clean Up Brush | \$3.79 |
| | Use larger end to clean larger openings and the smaller end to clean for more delicate areas. | |

Synthetic Sponge

An economical alternative to natural sponges for throwing, smoothing and general clean up tasks around the studio.

Synthetic Sponge - 3" in diameter \$.75

Smoothing & Sanding Tools

Remove burrs and rough spots from bisque prior to glazing.

| | | |
|-----|---------------------------|--------|
| SMS | Stilt Mark Stone | \$3.19 |
| SSM | Sanding Pad - Medium Grit | \$4.39 |

Dipping Tongs

Make clean work of dipping ceramics into glazes. Heavy plated steel tongs feature four sharp gripping points that allow a solid grip without getting in the way of glaze coverage. Approximately 10".

DTA Dipping Tongs \$10.75

EZE Spray Gun

Spraying glazes allows for softer blended effects, smoother glaze application and greater control. The EZE Spray Gun is an economical workhorse of a spray gun that handles the thicker, grittier texture of glazes. Clean well prior to changing colors.

Extra lidded jars are available so you can store your favorite colors without time-consuming clean up in between colors.

EZE Spray Gun \$24.95
EZE Spray Lidded Jar \$ 3.00

Giffin Grip

Center and trim with confidence! The Giffin Grip offers a quick and easy way to recenter pots for trimming, waxing, banding and glazing.

Ideal for pitchers, small necked vases and other irregular shapes. Adjusts to your wheel head so you center flawlessly time after time--you'll wonder how you ever trimmed without it!

Giffin Grip \$199.00

Hardboard Bats

An effective, economical alternative. Hardboard bats feature a standard 10" drill and smooth finish. 1/4" thick. They are lightweight, strong and can be used on both sides.

| | |
|---------------------------|--------|
| 9" Square Space-Saver Bat | \$4.50 |
| 12" Round Bat | \$5.00 |
| 14" Round Bat | \$7.00 |

Universal Plastic Bat & Bat Pins

12" universal bat, won't warp or wear out. Pin holes are located on the bottom of the bat with no opening on the top--so pot bottoms are never marked.

| | |
|-----------------|--------|
| 12" Plastic Bat | \$8.00 |
|-----------------|--------|

Bat pins with wing nuts install on most wheelheads. Sold in pairs.

| | | |
|----------|----------------------|-------------|
| TM-3022 | Universal, 1" | \$2.50/pair |
| TM-3022B | Brent wheels, 1-1/4" | \$2.50/pair |

Amaco Plasti-Bats

Quality bats, made of very rigid, high impact plastic, resist splintering, delaminating, swelling or shrinking. Non-absorbent, positive-adherence surface so clay does not slide or turn loose while centering. Ideal in continuous use settings.

| | | |
|------------------|-----|----------|
| Amaco Plasti-Bat | 12" | \$ 14.45 |
| | 16" | \$28.95 |
| | 18" | \$38.95 |

Marine Grade Plastic Bats

Made of marine-grade plastic, these tough bats are virtually warp-free and are textured on each side for use on either side. Pin holes won't swell or loosen over years of use.

| | | |
|--------------------------|-----|---------|
| Marine-Grade Plastic Bat | 12" | \$ 8.00 |
|--------------------------|-----|---------|

Gleco Trap

The original Gleco Trap is an under-the-sink trap to collect clay, glazes, and other materials that could possibly clog your pipes as well as any septic system or sewer pipes you might have.

| | |
|---------------------------------|---------|
| Gleco Trap - 64 oz. | \$99.99 |
| Replacement Bottles - case of 6 | \$33.49 |
| Replacement Bottles - each | \$ 5.99 |

The new Gleco HV is a high-volume trap that can be installed and maintained in larger schools/universities or big art centers, available in 3-1/2 gallon or 5 gallon sizes. The Gleco HV is not reusable and requires purchase of replacement Gleco HV buckets with lid.

Please call for pricing and availability.

Aprons

Heavy duty denim aprons protect clothing in the studio. Pre-shrunk, with self neck band and ties.

Left: Keep tools close with large patch pocket and two smaller, divided pockets for pens, pencils and smaller tools. 27.5" x 37"

MY-108 Pocket Apron \$14.99

Right: Great for throwing, divided legs held in place with comfortable strips that fasten around calves. 27" x 41"

MY-109 Split Leg Apron \$19.99
