MudTools

Prices subject to change without notice

MudTools Cut Off Wires

High-grade stainless, braided cable resists kinking . Mounted into ergonomic handles.

MudTools Classic Wire \$7

Green Handle - 13" wire

MudTools Curly Wire \$8

Red Handle – extends to 15" curly wire

MudTools Heavy Duty Wire \$8

Black Handle - 17" heavy duty wire for larger pots and projects.

MudSponges

MudTools "Work Horse" Sponge \$5

Blue. Original MudSponge can take on any task in your studio.

MudTools Throwing Sponge \$5

Orange. Super absorbent, holds more water—perfect for potters who pull up with a sponge.

MudTools Finishing Sponge \$7

White. Super-dense material won't coax grog to the surface for a smoother finished pot.

MudShark – Needle Tool & Fettling Knife in One!

Needle stores inside the handle for fewer "surprises" when reaching into your tool box. The sharp needle will trim the mouth of pieces while the honed knife end will make short work of trimming the foot. Assorted colors. 9.5" x .88" \$8

Tools / Accessories

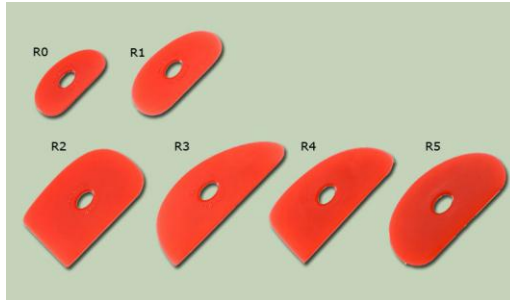

MudTools: Ribs

Prices subject to change without notice

These ribs are fashioned from materials that burnish and become better with use--no cracks or burrs. Flexibility of the ribs is "coded" by the color of the material (reference column at left). \$7 each

Red: Super Flexible
For compressing slabs, burnishing rims, chamois, & hand building

Top Row

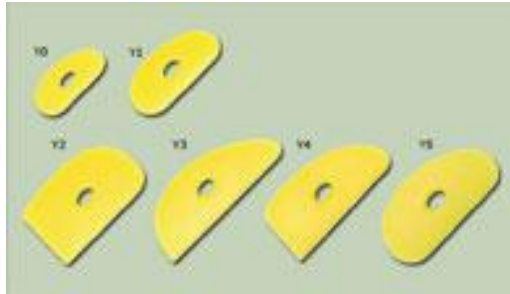

R0 Red Rib 0 2.75" x 1.44"
R1 Red Rib 1 3.5" x 1.75"

Bottom Row

R2 Red Rib 2 2.88" x 2.5"
R3 Red Rib 3 5" x 1.94"
R4 Red Rib 4 4.19" x 2"
R5 Red Rib 5 4.19" x 2"

Yellow: Soft Flex
For smoothing, throwing & hand building.

Top Row

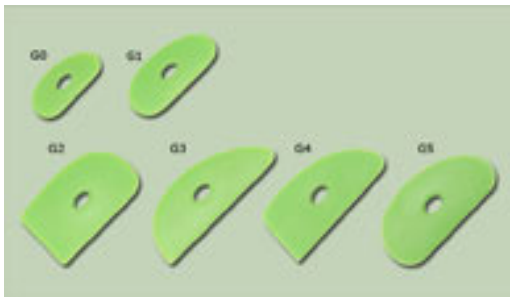

Y0 Yellow Rib 0 2.75" x 1.44"
Y1 Yellow Rib 1 3.5" x 1.75"

Bottom Row

Y2 Yellow Rib 2 2.88" x 2.5"
Y3 Yellow Rib 3 5" x 1.94"
Y4 Yellow Rib 4 4.19" x 2"
Y5 Yellow Rib 5 4.19" x 2"

Green: Medium Flex
For smoothing, throwing & hand building.

Top Row

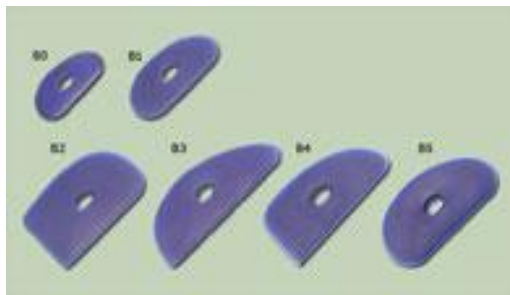

G0 Green Rib 0 2.75" x 1.44"
G1 Green Rib 1 3.5" x 1.75"

Bottom Row

G2 Green Rib 2 2.88" x 2.5"
G3 Green Rib 3 5" x 1.94"
G4 Green Rib 4 4.19" x 2"
G5 Green Rib 5 4.19" x 2"

Blue: Firm Flex
Still flexible but stiffer. Great for high burnish and throwing large.

Top Row

B0 Blue Rib 0 2.75" x 1.44"
B1 Blue Rib 1 3.5" x 1.75"

Bottom Row

B2 Blue Rib 2 2.88" x 2.5"
B3 Blue Rib 3 5" x 1.94"
B4 Blue Rib 4 4.19" x 2"
B5 Blue Rib 5 4.19" x 2"

MudTools: Ribs & Shredders

Prices subject to change without notice

Bowl Rib – Small

\$8

Designed to give as many radius sweeps on the clay as possible. Bowl ribs are smaller in the front and bigger in the back--ideal for throwing big pots. Available in Red, Yellow, Green and Blue flexibility materials. 4.63" x 2.75"

S7 – Stainless Steel Rib #7

\$14

For potters who prefer a stainless steel over other choices for their work, MudTools stainless steel ribs are constructed from the finest cutlery grade, flexible stainless steel available.

MudTools MudShredders

Ideal for shaping or reducing leather hard clay, MudShredders come in three styles and sizes and make quick work of cleaning up projects large and small. Handles come in assorted colors.

Small MudShredder

\$8

The original! Curved blade can clean a foot or smooth a rim. 2.75" x 2"

Conical MudShredder

\$10

Indispensable for longer strokes and rounded surfaces. The Conical Shredder is also great for texturing. 11" x 1.25"

Flat MudShredder

\$10

With its flat planed shredding blade, the Flat Shredder is ideal for platters and larger scaled, flat projects. 12" x 2.38"

Tools / Accessories

MudTools: Trimmers

Prices subject to change without notice

Do•All Trim Tool

\$20

Japanese inspired, this elegant and versatile pottery tool, well, does it all. The familiar spade shape provides a precise cutting edge—especially for working details around the foot of bowls and plates. The curl, provides a broad surface for smoothing and a tight shape for detail trimming. It's one of Mike's favorites!

MudTools Dragtool

\$20

Carve long graceful flutes or add random texture with a simple pull. Doubled ended to create two sizes of flutes. Comes in Lime or Orange. 7" x 1"

Wooden Ribs

Prices subject to change without notice

Kemper Wooden Ribs

Fashioned from smooth, finished hardwoods, ribs help in basic shaping, pulling cylinders, smoothing and more.

- 3 Blue Basic Sliders
- 3 Blue Wide Sliders

Tools / Accessories

Throwing Essentials

Prices subject to change without notice

Hardboard Bats

An effective, economical alternative, hardboard bats feature a standard 10" drill. Smooth finish 1/4" thick material.

Lightweight, strong and can used on both sides.

- 9" Square Bat \$4.50
- 12" Round Bat \$5.00
- 14" Round Bat \$7.00

Marine-Grade Plastic Bats

Made of marine-grade plastic, these tough bats are virtually warp-free and are textured on each side for use on either side. Pin holes won't swell or loosen over years of use.

- 9" Square Bat \$ 9
- 12" Round Bat \$10

Bat Pins

\$2.50/pair

Bat pins with wing nuts install on most wheel heads. Sold in pairs. Universal bat pins are 1" long and fit most wheel heads. Bat pins for Brent wheels, are 1-1/4".

Tools / Accessories

For the Glazing Studio

Prices subject to change without notice

Dipping Tongs

\$11.69

Make clean work of dipping ceramics into glazes. Heavy plated steel tongs feature four sharp gripping points that allow a solid grip without getting in the way of glaze coverage. Approximately 10".

EZE Spray Gun

Spraying glazes allows for softer blended effects, smoother glaze application and greater control. The EZE Spray Gun is an economical workhorse of a spray gun that handles the thicker, grittier texture of glazes and works with your air compressor.

EZE Spray Gun \$29.95

Replacement Jar \$ 3.49

Tools / Accessories

Sink Traps

Prices subject to change without notice

Gleco Trap

The original Gleco Trap is an under-the-sink trap to collect clay, glazes, and other materials that could possibly clog your pipes as well as any septic system or sewer pipes you might have.

GT64 Gleco Trap – 64 oz. \$125

GT43 Gleco Trap – 43 oz. \$125

Replacement Bottles -- case of 6 \$ 45

Replacement Bottles – each \$ 9

Which Size Trap Package Do I Need?

Clearance from connection pipe to floor will guide your Gleco Trap selection.

The GT64 is the most popular and will easily fit under most standard sink areas with at least 15-1/2" from waste line to floor (17" recommended). As the name implies, it holds 64 ounces of sediment and water.

Maximize your volume capacity in small spaces with the GT43 Package. This package requires a minimum space of just 13" from waste line to floor (14.5" recommended).
